

JOINT MONITORING COMMITTEE

under Interreg-IPA CBC Bulgaria - Serbia Programme

Written procedure No. 15, initiated on 24 October 2017

1. Description:

The Written procedure for approval of request for modification of project proposal no. CB007.1.11.220, titled "Tourism and traditions – colorful, entertaining, attractive", under the Interreg-IPA CBC Bulgaria - Serbia Programme 2014-2020, was initiated by the Co-chairperson of the Joint Monitoring Committee (JMC) from Bulgarian side on 24 October 2017. The modification relates to extension of the implementation period from 19 to 24 months. The request is based on the fact that the Works tender procedure, launched by Project partner 2 – City municipality of Crveni Krst, City of Nis, has been unsuccessful and a re-launch is expected soon. Works contract is expected to be signed not earlier than December 2017, and with possible inability to execute any works activities during winter months, there is an actual risk for non-completion of the project by 22.06.2018. Extending the implementation period with further 5 months (until 22.11.2018) would give the project partners enough time to complete all investment and other related activities.

The official letter No. 99-00-2-1249/23.10.2017 was sent to the JMC members via the Management Information System. The respective documents are available in the Management Information System.

The JMC members were given 10 working days to send their approval or comments on the proposal. The only remarks received, within the set deadline, were opinions of approval.
